INTRODUCTION

Submitting a claim is quick and easy with the pre-filled and intelligent wizard on your personal webpages. Simply follow the steps as it guides you through the process.

Here's an extensive guideline to help you make the most of the claiming tool.

The screenshot shows the Cigna Claims Overview page. At the top, there's a navigation bar with 'ENGLISH', 'MY PROFILE', and 'LOG OUT' buttons, along with a search bar. Below that, a 'WELCOME!' message for 'Newco - Jones Adam (998/59448)' is displayed. The main navigation includes 'Home', 'My plan', 'Claims', 'Provider search', 'My health', and 'Contact'. The 'Claims' section is active, showing a 'Submit a claim' button and a video player titled 'HOW TO SUBMIT A CLAIM'. Below the video is a table of claims with columns for Patient, Claim Date, Type, Amount, and Status. A green box highlights a successful submission message for a claim by Jones Adam. Blue icons (edit, download, delete, settlement note, upload missing information) are shown next to the claims.
